

# Golf

The NCSA annual golf tournament will be played on Monday, July 22, 2024, at the Barefoot Resort & Golf course.

The Association has reserved an adequate number of tee times to cover the first 20 players to sign up. We plan to use the Super Ball format and the top three teams will be awarded prizes along with the longest drive and closest to the pin. We encourage all lady golfers to sign up. The Super Ball format allows everyone to participate in the team score.

The cost, including green fees and cart, will be \$111.00 per person and **MUST BE PAID AT THE COURSE** BEFORE YOU PLAY. Lunches will be available before you leave the hotel. The Association has guaranteed starting times. Due to course work at several closer courses we are playing as close to the hotel as possible.

Amount Needed for Golf **AT BAREFOOT RESORT** \$ 111.00
