For many years the North Carolina Seedsmen's Convention has provided an excellent opportunity for NC industry friends and business associates to meet together with their families and enjoy informative business sessions, fellowship and recreation. This year, we are happy to partner with the South Carolina Seedsmen's Association to continue this great tradition.

Charleston is the oldest and second-largest city in South Carolina. The city lies just south of the geographical midpoint of South Carolina's coastline and is located on Charleston Harbor, an inlet of the Atlantic Ocean formed by the confluence of the Ashley and Cooper Rivers, or, as is locally expressed, "where the Cooper and Ashley Rivers come together to form the Atlantic Ocean." Charleston has many historic sightseeing opportunities. Known for its rich history, well-preserved architecture, distinguished restaurants, and mannerly people, Charleston is a popular tourist destination. Come to the Convention and enjoy South Carolina and all it has to offer.
