

North Carolina Seedsmen's Association Endowment, Established July 19, 1965

- The NC Seedsmen's Association Scholarship Endowment was one of the first endowments for the College of Agriculture and Life Sciences.
- Created on July 19, 1965, the original scholarship agreement was signed by David W. Stanfield, President of the Association with Marion Dilday raising funds for the scholarship for over 40 years!
- In 1991, to honor the memory of Foil McLaughlin, the Association amended their agreement, accepting donations in Foil's memory to allow us to award the Foil McLaughlin Fellowship Award through this endowment.
- Over the years, the Association has honored other leaders in this way, and this year we were able to award seven scholarships and two graduate fellowships to outstanding students, for a total of \$18,000.
