

The NCSA annual golf tournament will be played on Monday, July 17, 2017, at the Barefoot Love Golf Course at Kingston Plantation, Myrtle Beach, South Carolina.

The Association has reserved an adequate number of tee times to cover the first 16 players to sign up. We plan to use the Super Ball format and the top three teams will be awarded prizes along with the longest drive and closest to the pin. We encourage all female golfers to sign up. The Super Ball format allows everyone to participate in the team score.

The cost, including green fees and cart, will be \$80.00 per person and must be paid with your registration. The Association has guaranteed starting times. Please make checks payable to the **NC Seedsmen's Association**.
