

The NCSA annual golf tournament will be on Monday, July 24, 2023, at the Wild Dunes Harbor Course, Isle of Palms, South Carolina.

The Association has reserved an adequate number of tee times to cover the first 20 players that sign up. We plan to use the Super Ball format and the top three teams will be awarded prizes along with the longest drive and closest to the pin. We encourage all female golfers to sign up. The Super Ball format allows everyone to participate in the team score.

The cost, including green fees and cart, will be \$105.00 per person and must be paid with your registration. The Association has guaranteed starting times. Please make checks payable to the **NC Seedsmen's Association**.
